Re: eHLbc 2026-2030 Core Suite Renewal Update

Good afternoon all,

We are delighted to share that all 33 eHLbc full member organizations have elected to affirm their membership in eHLbc and commit to licensing the Core Suite for the 2026-2030 term. Their decisions to do so lay the groundwork for our continued collaboration and reflect a belief in the resilience that arises from that collaboration, especially during a period of great change.

By committing to licensing the Core Suite, eHLbc members will benefit from:

- Subsidized, stable pricing for essential health information resources over four years
- Consolidated invoicing in Canadian dollars
- Reduced administrative time for staff

We want to express our gratitude to each of you for your engagement in the Core Suite renewal process. We acknowledge the time and effort you have taken to provide input on your organization or institution's needs and to participate in Watercooler Q&A sessions. Your engagement ensures that eHLbc can continue to meet member needs through a collaborative approach.

The Core Suite team will move forward with contacting and invoicing Affiliate members for their 2026-27 Core Suite costs. Invoicing of full members for Core Suite licensing costs will commence in May/June, after affiliate members have been invoiced and the Full Member Subsidy calculated.

We look forward to our continuing collaborative work with you over the next four years!

Warm Regards,

The Core Suite Team

The eHLbc Administrative Centre, hosted at Simon Fraser University in Burnaby, is situated on the unceded, traditional territories of the sə́lilw'ətaʔ (Tsleil-Waututh), kʷikwə́ləm (Kwkwetlem), Sḵwx_wú7mesh (Squamish) and xʷməθkʷəy'əm (Musqueam) Nations. eHLbc recognizes that its work and the work of member organizations take place on traditional Indigenous territories across the province. We are thankful to the First Nations, Métis and Inuit peoples who have cared for these territories since time immemorial.
